camp message

Ever wonder why God created the world and then man in His image? Why the fall of man took place and why God is now ruling the world and saving His people even as he judges the nations? Why a Judgment awaits us all and will be followed by an eternal state of blessing for God's people and of punishment for His enemies? All of these things are the unfolding of the eternal Covenant between God the Father, Son and Holy Spirit by which this Triune God purposes to glorify Himself. And amazingly, the very heart of His Glory is His eternal pleasure and will to bring His people to that final place and state where they will forever get as big a bang out of Him as He gets out of Himself.

Join us this summer as we talk about this wonderful covenant keeping God and the glory which awaits those who trust and obey Him.

about us

God has given us a beautiful place here in the White Mountains and a desire to share it and His Word with young people. Kids connect well here at Shiloh in a family-like setting. That's really our niche both as a camp and retreat. May Christ continue to strengthen us as we point young people to His Truth and seek to serve them for His sake.
